## Xicorra Design Studio

A boutique interior design studio, operating since 2016, we provide comprehensive support at every stage of your project. We specialize in crafting bespoke solutions tailored to your specific needs, creating enduring things, spaces, and experiences. Our core philosophy revolves around personalization because originality is more important than ever.

# Nuwa Atelier

Zero waste beauty furniture. We are dedicated to producing unique and environmentally conscious furniture, crafted in limited quantities. We believe that quality is more important than quantity, and our pieces are designed to stand the test of time. Each piece is made with care and attention to detail, using only the finest materials and sustainable production methods.

## Sustainability & Health

Through continuous learning in the field of sustainability, we develop and implement the most optimal methods and processes in our projects. We utilize health and environmentally friendly materials, ensuring their sustainable use.

*a healthy environment enhances our well-being*
